

Association of Pacific Coast Geographers

72nd Annual Meeting in San Diego, CA
September 30th- October 3rd, 2009

SAN DIEGO STATE
UNIVERSITY

APCG Awards Banquet Student Grant

Overview:

This year the Association of Pacific Coast Geographers and William and Marilyn Bowen have established a special fund to partially offset the cost of attending the Awards Banquet (on Saturday, October 3rd) for students presenting papers at the APCG meeting in San Diego. This is a subsidy of 50% of the cost of the banquet, and it is in addition to the already discounted student price for the banquet.

The APCG wants to increase participation of students at this important event, which, in addition to the presentation of the awards, will feature entertainment, a presentation by APCG president Stuart Aitken and an opportunity to connect, network and chat with friends and colleagues in a wonderful dinner setting.

If you are a student who plans to present a paper and would like to attend the banquet and be considered for this grant, please complete and mail this page with your registration form and payment.

Requirements and instructions:

1. Students must present a paper at the APCG meeting in San Diego (posters and panel presentations do not qualify for this grant)
2. Students must register for the banquet in advance and submit payment for this function together with their registration (see meeting registration form for details)
3. This is a limited special fund; if applications exceed the existing funds, awardees will be chosen based on a random lottery.
4. The San Diego APCG meeting planning committee will notify students two weeks prior to the meeting. Banquet grant applications must be received by August 31st and winners will be notified by September 15, 2009.

Students will receive their reimbursement at the banquet. After reimbursements, the final cost of the Awards Banquet for awardees will be just \$16 (discounted student price is \$32, regular price is \$42)
