

Association of Pacific Coast Geographers

72nd Annual Meeting in San Diego, CA
September 30th- October 3rd, 2009

SAN DIEGO STATE
UNIVERSITY

Margaret Trussell Scholarship

The Association of Pacific Coast Geographers, in conjunction with the APCG's Women's Network, are pleased to announce the annual competition for the Margaret Trussell Scholarship.

Normally, two scholarships are made annually, one to a woman doctoral geography student and one to a woman master's geography student. All fields of geographical study are welcome. Women students who are members of APCG are encouraged to apply.

The competitive awards are made based on excellence in research design, written proposals and requests for funding, and supportive letters of recommendation. The funds may be used to support field work, archival research, and/or writing. A well-stated research description, statement of need, timeline of work, and budget are required. Each application should be accompanied by two letters of recommendation from faculty who either know the student or serve on their research committees.

Each application must include:

1. Statement of Project and a general overview with bibliography
2. Timeline for completion
3. Budget and identified use of award (\$1000)
4. Graduate Transcripts
5. Two letters of recommendation from faculty
6. Contact information

Faculties are asked to encourage students to apply and support applicants with letters of recommendation.

Applications are accepted in late spring and early summer but no later than August 1st. Applications may be made by email with a follow-up hard copy of the application if possible. Students who may currently be out-of-country are encouraged to contact Dr. Martha Henderson by email. Please address any questions about application content or procedure to Dr. Henderson.
